L.A. County Kicks Off 2020 Citizens Redistricting Commission Application Period

Eligible L.A. County voters may now apply to join the Commission

LOS ANGELES – Los Angeles County Registrar-Recorder/County Clerk (RR/CC) Dean C. Logan announced the kick off to the 2020 Citizens Redistricting Commission (CRC) application period.

The Citizens Redistricting Commission is formed every 10 years following the federal census to adjust the County's Supervisorial Districts, so each district is reasonably equal in population and geography.

The adjusting, or redrawing, of boundaries is designed to ensure local legislatures are representative of the County's population.

Any L.A. County resident who is a registered voter and meets the eligibility criteria is encouraged to apply online or by returning a paper application.

Application instructions and additional information can be found on the [Citizens Redistricting Commission landing page](#).

The mission of the Registrar-Recorder/County Clerk is to serve Los Angeles County by providing essential records management and election services in a fair, accessible and transparent manner.
