NOTE: On **March 17, 2022**, the Secretary of State shall hold a public drawing to determine the order of Candidate names on the ballot by randomly drawing each letter of the alphabet.

BALLOT DESIGNATION PROVISIONS

SELECTING YOUR BALLOT DESIGNATION – The **ballot designation** describes the current profession, vocation, occupation or incumbency status of the candidate that will appear on the ballot under the candidate's name.

Ballot designations:

- Can be no more than three words
- Must appear on the Declaration of Candidacy
- Becomes public record once the information is filed on the Declaration of Candidacy; ballot designations **cannot be changed after the final date to file nomination documents**

The listing of a designation on the ballot is OPTIONAL. Only one of the following categories is allowed:

- 1) **Elective Office Title:** Words describing an elective office title may be used **IF** the candidate holds the office at the time nomination documents are filed and the office was filled by a vote of the people.

Example A: Governing Board Member

Example B: Board member, XYZ School District

- 2) **Incumbent:** The word **Incumbent** may be used **IF** the candidate is seeking re-election to the same office and was elected to that office by a vote of the people or was appointed as a nominated candidate in lieu of an election.
- 3) **Appointed Incumbent:** The words **Appointed Incumbent** must be used **IF** the candidate was appointed to the office (**other than a judicial office**) and is seeking election to that office. The word Appointed may also be used with the office title.

Example A: Appointed Incumbent

Exception: Candidates appointed to office in lieu of an election **do not** have to use the word appointed.

BALLOT DESIGNATION PROVISIONS (continued)

- 4) **Principal Occupation:** No more than **three words** to either describe the current principal profession, vocation, or occupation of the candidate **or** the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. Geographical names are considered one word.

Example A: High School Teacher

Example B: Attorney/Educator/Rancher

Example C: CEO/Councilmember

- 5) **Community Volunteer:** A Community Volunteer shall constitute a valid principal vocation or occupation subject to the following conditions:
- a) A candidate's community volunteer activities constitute their principal profession, vocation or occupation.
 - b) A candidate may not use the designation of "community volunteer" in combination with any other principal profession, vocation or occupation.
 - c) A candidate is not engaged concurrently in another principal profession, vocation or occupation.
- 6) **No Occupation Desired:** If no ballot designation is requested, write the word "NONE" and place your initials in the space provided for ballot designation on the Declaration of Candidacy form.

FORMAT OF BALLOT DESIGNATION – Ballot designations selected which exceed space allotted on the ballot (approximately 60 characters) are printed in a smaller typeface pursuant to § 13107(f) of the California Elections Code.

In all cases, the words so used shall be printed in 8-point roman uppercase and lowercase type except that, if the designation selected is so long that it would conflict with the space requirements of Sections 13207 and 13211, the elections official shall use a type size for the designation for each candidate for that office sufficiently smaller to meet these requirements. **Restrictions:** The rules governing ballot designations can be the subject of confusion. The California Secretary of State's ballot designation regulations are available at the public counter in the Election Information Section, 2nd Floor, Room 2013.

BALLOT DESIGNATION WORKSHEET – A Ballot Designation Worksheet that supports the use of that ballot designation is required to be filed with the Registrar-Recorder/County Clerk at the same time as the Declaration of Candidacy. If a candidate fails to file a Ballot Designation Worksheet, no designation will appear on the ballot. (E.C. § 13107.3)

REJECTION OF BALLOT DESIGNATION – If the designation is in violation of any of the restrictions set forth in the California Elections Code, the candidate will be notified by certified mail with a return receipt addressed to the mailing address appearing on the candidate's ballot designation worksheet. If an alternative designation is not provided within the time allowed, no designation will appear on the ballot. (E.C. § 13107(f))

BALLOT DESIGNATION PROVISIONS (continued)

UNACCEPTABLE DESIGNATIONS – Pursuant to Elections Code § 13107(e), the elections official shall not accept a ballot designation if:

- a. It would mislead the voter.
- b. It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
- c. It abbreviates the word “retired” or places it following any word(s) that it modifies.
- d. It includes a word or prefix, such as “former” or “ex-,” which means a prior status. The only exception is the use of the word “retired.”
- e. It includes the name of any political party, whether or not it has qualified for the ballot.
- f. It uses a word(s) referring to a racial, religious or ethnic group.
- g. It refers to any activity that is prohibited by law.

GUIDELINES TO ACCEPTABLE BALLOT DESIGNATIONS (BASIC TEST):

- a. Is it true?
- b. Is it accurate?
- c. Does it mislead?
- d. Is it generic? (This means “IBM” is unacceptable, “Computer Company” is acceptable.)
- e. Is it neutral? (This means not for or against.)
- f. Is it how this person makes a living?

Candidates may review their own ballot designation, as well as that of other candidates, in this office during working hours from **Saturday, March 12****, 2022, through **Monday, March 21, 2022 (excluding Saturdays, Sundays and Holidays)**.

CHAPTER 3

CANDIDATE STATEMENTS

CANDIDATE STATEMENTS

California law permits local **nonpartisan**, **congressional**, and **state legislative candidates** to file a candidate statement to be printed and mailed to voters in the Official Sample Ballot Booklet. Candidates for **state legislative** offices who voluntarily choose to limit their campaign expenditures in accordance with Proposition 34 by appropriately filing a Fair Political Practices Commission “FPPC” Form 501 may submit a candidate statement. Filing of a candidate statement is not mandatory, but is permitted if the candidate desires to file and pay the appropriate fee. The word limit for a statement is 250 words. (Govt. Code § 85601)

STATE LAW PROVIDES THAT STATEMENTS MUST BE FILED NO LATER THAN 5:00 P.M. ON THE LAST DAY OF THE NOMINATION PERIOD.

1. Statement is optional and may include the candidate’s age and occupation.
2. Statements may not include references to other candidates. See information below and Notice to Persons Submitting Candidate Statements in this chapter (**Chapter 3**) for restrictions.
3. No changes are allowed after statement is filed, *unless there are issues with Elections Code compliance or Court ordered changes.*
4. A candidate may request that the statement also be printed in Spanish and included in the Official Sample Ballot booklet mailed to all voters in the election area. An additional fee is required to print the Spanish statement. **In compliance with California Law, only English and Spanish candidate statements are included in the Official Sample Ballot booklet** for candidates who wish to have one printed at the candidate’s or local agencies’ expense. (Translations may be provided in other languages in accordance with federal law. See “Translations” later in this chapter for further information.)
5. No reference to candidate’s political party affiliation or any partisan political membership or activity is permitted.
6. If the legislative district to be voted on is shared by more than one county, the candidate must file a statement with each county.
7. If candidate’s name does not appear on the official ballot, the candidate is not entitled to a candidate statement in the Official Sample Ballot Booklet.
(E. C. § 302)

ESTIMATED COST – The form on which the statement is submitted is issued with the nomination documents and contains word limitation information and an estimated cost.

CANDIDATE STATEMENTS (continued)

LOCAL NONPARTISAN OFFICES (District Attorney, Superior Court Judge and any other eligible candidate) – Local agency determines maximum amount of words allowed (200 or 400), responsibility for payment (candidates or agency) and whether it is to be paid in advance. If word limitation is 400 words and a statement of 200 words or less is submitted, the entire amount of the estimated cost shall be required to be deposited. The estimated cost is based on column price, not by word count. Refer to Word Counting Guidelines in this chapter.

STATE LEGISLATIVE AND UNITED STATES REPRESENTATIVE – California law permits **congressional candidates and state legislative candidates** to file a candidate statement to be printed in the Official Sample Ballot Booklet. **State Legislative candidates** who wish to file a statement must voluntarily choose to limit their campaign expenditures in accordance with **Proposition 34** by filing a **Fair Political Practices Commission** “FPPC” Form 501. Filing of a candidate statement is not mandatory but is permitted if the candidate pays the appropriate fee. The word limit for a statement is 250 words. (**E.C. 13307.5 and Govt. Code 85601**)

NOTE: For shared districts, candidate must file a statement with each county.

The estimated cost is determined prior to all information being available; therefore, it is an approximation of the actual cost that varies from election to election and may be significantly more or less depending on the actual number of candidates filing statements.

FORMAT AND STYLE INFORMATION

1. Statement will be **typed** using Time New Roman font in 11 point size. However, the statement may be **typed and submitted** using any standard font. Statements will be printed in uniform type, style and spacing. Text submitted indented or centered will be typed in block paragraph form. See samples of candidate statements later in this chapter for recommended form and style content. Please note, if using any standard font less than Times New Roman in 11 point size, the printed candidate statement may extend to two (2) or more columns once formatted.
2. Statements will be printed in uniform type, style and spacing. Use block paragraphs and single space format. Text submitted indented or centered will be printed in block paragraph form. Entire statements in all capital letters are not acceptable. Indentations, circles, stars, dots, italics and/or bullets cannot be accommodated. However, you may use dashes/hyphens. It is recommended that you do not use dashes or hyphens at the end of a line. Words to be printed in **boldface type**, underscored and/or CAPITALIZED are to be clearly indicated.
3. All statements should be checked by the candidate for spelling and punctuation as the elections official is not permitted to edit any material contained therein.

NOTE: If a statement is formatted to include numerous paragraph breaks and/or individual listings of accomplishments, endorsements, etc., the printed statement may extend to two (2) columns per page. Each page contains two (2) columns, additional columns used will increase the estimated cost. In these cases, **the actual cost for the statement may double** and additional cost may be billed to you after the election.

CANDIDATE STATEMENTS (continued)

CANDIDATE STATEMENT FORM – These are examples of Candidate Statement Forms used by **state legislative** and **congressional candidates** in submitting their statement to be printed in the Official Sample Ballot Booklet. The California Elections Code and case law prohibit **CANDIDATES** from making any reference to another candidate or to another candidate's qualification, character or activities. If the **COUNTY ELECTIONS OFFICIAL** discovers improper content in a candidate statement, the **COUNTY ELECTIONS OFFICIAL** will notify the candidate and give the individual an opportunity to correct the improper language in the candidate statement. If the candidate refuses to correct the improper language, the **COUNTY ELECTIONS OFFICIAL**, as well as any other voter, may bring legal action against the candidate to correct the statement. The prevailing party may also be entitled to obtain attorney's fees for bringing the action.

The **COUNTY ELECTIONS OFFICIAL** will not accept language in a candidate statement that in any way makes reference to other candidates or to another candidate's qualifications, character, or activities pursuant to California Elections Code Section 13308. The **COUNTY ELECTIONS OFFICIAL** will remove the improper language from the statement and not allow it to be printed. ELECTION RESULTS FOR WRITE-IN CANDIDATES

Write-in election results are not determined until the canvass is completed. California election law allows a prescribed number of days for the conduct of the official canvass. During the official canvass, write-in ballots must be individually reviewed to determine if the write-in vote is for a qualified or unqualified write-in candidate and whether a voter has over voted. All aspects of the canvass shall be open to the public. **Write-in votes are counted and certified in an election only if qualified candidates have filed the required nomination documents with the elections official.**

OFFICES OMITTED FROM BALLOT – Prospective write-in candidates should note that write-in candidacy is possible only if the office appears on the ballot. For judicial, school and UDEL contests, if the number of persons qualifying for the ballot does not exceed the number of offices to be filled, the election is cancelled and eligible candidates are appointed in lieu of the election. California law however, provides that for such offices a petition indicating that a write-in campaign will be conducted must have been filed with the elections official to require the office(s) be placed on the ballot by means of a petition drive.

(E. C. §§ 8203 and 10515; Ed. Code § 5326)

NAME DOES NOT APPEAR ON BALLOT – If candidate's name does not appear on the official ballot, the candidate is not entitled to a candidate statement in the Official Sample Ballot Booklet.

(E. C. § 302)

WRITE-IN CANDIDATES TO BE ELECTED

1. Depending on the contest, the person who receives a plurality of the votes cast is elected to that office. This includes write-in candidates **(E. C. § 15452)**
2. In order for a candidate, including a write-in candidate, to win election to a judicial or county office, the candidate must receive a majority of the ballots cast for candidates for that office. **(E. C. §§ 8140, 8141 and 15450)**
3. A write-in candidate for a school district governing board member or special district board of director member contest must receive more votes than any other candidate running for that office. When more than one office is to be filled, those candidates, including qualified write-in candidates, who receive the highest number of votes for however many seats are to be filled are elected.
4. Voters may write in any name they wish for any office regardless of whether the candidate is qualified or not. However, votes will only be tabulated for **officially qualified** write-in candidates.

REVIEW OF REPORTING REQUIREMENTS
Campaign Disclosure Filing Requirements for
Candidates and Committees

PLEASE READ CAREFULLY....

The Political Reform Act imposes certain duties and obligations on candidates, officeholders, committee treasurers and others participating in the political process. For example:

- Detailed records must be maintained for all financial activity, and contributions received for political purposes must not be commingled with personal funds.
- Campaign statements must be filed at specified times disclosing contributions received, expenditures made, and other financial information. In some cases, candidates can avoid filing long form campaign statements by submitting a “Candidate and Officeholder Campaign Statement Short Form (Form 470).”
- Campaign statements must be hand delivered or postmarked as first-class mail by the legal filing deadline date established by law. NOTE: The **second pre-election statement *must*** be filed in person or guaranteed overnight delivery. Mail which is not received by the filing officer shall be presumed not to have been sent unless the filer possesses a postal receipt establishing the date of the deposit, and the name and address of the addressee.
- The Political Reform Act provides a formula for assessing late fines of original campaign statements filed in our office. The fine is \$10 per day, starting the day after the filing deadline, until the statement is filed; however, no liability may exceed the cumulative amount of reported contributions, expenditures, of the Form 460 or \$100, whichever is greater.

Failure to submit a required statement is a misdemeanor. Persons who fail to submit required statements are referred to the Fair Political Practices Commission.

UNSUCCESSFUL CANDIDATES

Defeated candidates must file campaign disclosure reports until the campaign committee has been terminated by filing Form 410 (see part 5).

It is recommended that campaign disclosure statements be mailed by certified mail or by purchasing a certificate of mailing. This will eliminate any question regarding receipt of your statement.

Unsigned forms are incomplete and are not considered filed until they are signed.

PART 1

LEGISLATIVE INTENT

Pursuant to Chapter 976, 1977 Statutes, the Legislature finds and declares:

- (a) That a need exists for adequate identification of the source of campaign Appeals directed at the voters in order to assist them in making rational decisions at the polls.
- (b) That by requiring such identification of campaign literature, the public is better able to evaluate the source of campaign material, may be more adequately informed, and can better distinguish between truth and falsity.
- (c) That by requiring identification, anonymous attacks, which cannot adequately be responded to in the heat of a campaign, will be discouraged.
- (d) That by requiring identification, a candidate who believes they have been libeled may more readily seek redress in a civil action for damages.
- (e) That limiting identification requirements to pejorative campaign material is inadequate because subtle attacks on candidates or measures can be framed which appear to be supportive but, in fact, are pejorative.
- (f) That a distinction needs to be made between campaign materials of small size that usually carry little more than a "Vote for _____" message, such as is often the case with buttons, matchbooks, pens, and the like, on the one hand, and campaign materials which carry more complex messages, on the other. In the case of the former, because of their characteristically small size and limited content, it would be an undue burden to require that identification as to source be included.

PART 2

MASS MAILINGS

Definition.

"Mass mailing" means over two hundred substantially similar pieces of mail but does not include a form letter or other mail which is sent in response to an unsolicited request, letter or other inquiry.

Gov. Code § 82041.5

Manner of sending mass mailings.

- (a) Except as provided in subdivision (b), no candidate or committee shall send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of such mailing in no less than 6-point type. A post office box may be stated in lieu of a street address if the organization's address is a matter of public record with the Secretary of State.

GENERAL CAMPAIGN INFORMATION (Continued)

- (b) If the sender of the mass mailing is a single candidate or committee, the name, street address, and city of the candidate or committee need only be shown on the outside of each piece of mail.
- (c) If the sender of a mass mailing is a controlled committee, the name of the person controlling the committee shall be included in addition to the information required by subdivision. **Gov. Code § 84305**

Newsletter or mass mailing.

No newsletter or other mass mailing shall be sent at public expense. **Gov. Code § 89001**

PART 3

TRUTH IN ENDORSEMENTS LAW

Legislature's findings.

The Legislature hereby finds the following to be true:

- (1) The major political parties have become an integral part of the American governmental system requiring regulation as to their structure, governing bodies, and functions by state government in the public interest.
- (2) The Legislature has found it necessary and appropriate in the regulation of political parties to create and provide for the convening of state conventions, state central committees, and county central committees for parties qualified by law to participate in the direct primary election, by statute.
- (3) Over the several years preceding the adoption of this section organizations of electors using as a part of their names the name of a political party qualified to participate in the direct primary election have endorsed candidates for nomination of that party for partisan office in the direct primary election and have publicized and promulgated such endorsements in a manner which has resulted in considerable public doubt and confusion as to whether such endorsements are those of a private group of citizens or of an official governing body of a political party.
- (4) The voting public is entitled to protection by law from deception in political campaigns in the same manner and for the same reasons that it is entitled to protection from deception by advertisers of commercial products.

E. C. § 20001

Restraining order or injunction.

The superior court, in any case brought before it by any registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, broadcasting, or telecasting of any matter in violation of this chapter, and all cases of this nature shall be in a preferred position for purposes of trial and appeal, so as to assure the speedy disposition thereof. **E. C. § 20006**

GENERAL CAMPAIGN INFORMATION (Continued)

Representation requirements.

No candidate or committee in their behalf shall represent in connection with an election campaign, either orally or in campaign material, that the candidate has the support of a committee or organization which includes as part of its name the name or any variation upon the name of a qualified political party with which the candidate is not affiliated, together with the words “county committee,” “central committee,” “county,” or any other term that might tend to mislead the voters into believing that the candidate has the support of the party’s county central committee or state central committee, when that is not the case.

This section shall not be construed to prevent a candidate or committee from representing that the candidate has the support of a committee or group of voters affiliated with another political party, which committee or group is identified by the name of that party, where the name of the committee or group also includes the name of the candidate.

Any member of a county central committee or state central committee may commence an action in the superior court to enjoin misrepresentation by a candidate or committee in their behalf, in the manner prohibited by this section, to the effect that the candidate has the support of the state or county central committee involved. **E. C. § 20007**

Political advertisement requirements.

Any paid political advertisement that refers to an election or to any candidate for state or local elective office and that is contained in or distributed with a newspaper, shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the advertisement or in 10-point roman type, whichever is larger, the words “Paid Political Advertisement.” The words shall be set apart from any other printed matter.

As used in this section “paid political advertisement” shall mean and shall be limited to, published statements paid for by advertisers for purposes of supporting or defeating any person who has filed for an elective state or local office. **E. C. § 20008**

Simulated ballot requirements.

- (a) Every simulated ballot or simulated sample ballot shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the statement or words or in 10-point roman type, whichever is larger, in a printed or drawn box and set apart from any other printed matter, the following statement:

<p>“NOTICE TO VOTERS” (Required by Law)</p>
<p>“This is not an official ballot, or an official sample ballot prepared by the county elections official or the Secretary of State.”</p>
<p>“This is an unofficial, marked ballot prepared by _____ (insert name and address of the person or organization responsible for preparation thereof).”</p>

GENERAL CAMPAIGN INFORMATION (Continued)

Nothing in this section shall be construed to require this notice in any editorial or other statement appearing in a regularly published newspaper or magazine other than a paid political advertisement.

- (b) No simulated ballot or simulated sample ballot referred to in subdivision (a) shall bear any official seal or the insignia of any public entity, nor shall that seal or insignia appear upon the envelope in which it is mailed or otherwise delivered.
- (c) The superior court, in any case brought before it by any registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, or distribution of any matter in violation of this section, and all cases of this nature shall be in a preferred position for purposes of trial and appeal, so as to assure the speedy disposition thereof. **E. C. § 20009**

No pictures of candidates in campaign material.

- (a) Except as provided in subdivision (b) no person, firm, association, corporation, campaign committee, or organization may, with actual malice, produce, distribute, publish, or broadcast campaign material that contains (1) a picture or photograph of a person or persons into which the image of a candidate for public office is superimposed or (2) a picture or photograph of a candidate for public office into which the image of another person or persons is superimposed. "Campaign material" includes, but is not limited to, any printed matter, advertisement in a newspaper or other periodical, television commercial, or computer image. For purposes of this section, "actual malice" means the knowledge that the image of a person has been superimposed on a picture or photograph to create a false representation, or a reckless disregard of whether or not the image of a person has been superimposed on a picture or photograph to create a false representation.
- (b) A person, firm, association, corporation, campaign committee, or organization may produce, distribute, publish, or broadcast campaign material that contains a picture or photograph prohibited by subdivision (a) only if each picture or photograph in the campaign material includes the following statement in the same point size type as the largest point size type used elsewhere in the campaign material: "This picture is not an accurate representation of fact." The statement shall be immediately adjacent to each picture or photograph prohibited by subdivision (a).

GENERAL CAMPAIGN INFORMATION (Continued)

- (c) (1) Any registered voter may seek a temporary restraining order and an injunction prohibiting the publication, distribution, or broadcasting of any campaign material in violation of this section. Upon filing a petition under this section, the plaintiff may obtain a temporary restraining order in accordance with Section 527 of the Code of Civil Procedure.
- (2) A candidate for public office whose likeness appears in a picture or photograph prohibited by subdivision (a) may bring a civil action against any person, firm, association, corporation, campaign committee, or organization that produced, distributed, published, or broadcast the picture or photograph prohibited by subdivision (a). The court may award damages in an amount equal to the cost of producing, distributing, publishing, or broadcasting the campaign material that violated this section, in addition to reasonable attorney's fees and costs.
- (d) (1) This act shall not apply to a holder of a license granted pursuant to the Federal Communications Act of 1934 (47 U.S.C. § 151 et seq.) in the performance of the functions for which the license is granted.
- (2) This act shall not apply to the publisher or an employee of a newspaper, magazine, or other periodical that is published on a regular basis for any material published in that newspaper, magazine, or other periodical. For purposes of this subdivision, a "newspaper, magazine, or other periodical that is published on a regular basis" shall not include any newspaper, magazine, or other periodical that has as its primary purpose the publication of campaign advertising or communication, as defined by Section 304. **E. C. § 20010**

C. § 18301**

PART 5

DISTRIBUTION OF VOTE CENTER LOCATION INFORMATION

Every person is guilty of a misdemeanor who knowingly causes to be mailed or distributed, or knowingly mails or distributes, literature to any voter that includes a designation of the voter's vote center location other than a vote center location listed for that voter in an official vote center list that constituted the latest official vote center list at sometime not more than 30 days prior to such mailing or distribution.

PART 11

FEDERAL LAW PROHIBITING FOREIGN NATIONALS FROM MAKING CONTRIBUTIONS OR EXPENDITURES

Federal law prohibits foreign nationals from making contributions or expenditures in connection with any U.S. election (federal, state, or local), either directly or through another person. This prohibition applies to foreign-owned corporations and associations, as well as to foreign governments, political parties and certain individuals and partnerships. Additionally, U.S. candidates for federal, state and local offices are prohibited from accepting contributions from these sources.

The ban on political contributions and expenditures by foreign nationals was first enacted in 1966 as part of the amendments to the Foreign Agents Registration Act (FARA), an “internal security” statute. The goal of the FARA was to minimize foreign intervention in U.S. elections by establishing a series of limitations on foreign nationals. These included registration requirements for the agents of foreign principals and general prohibition on political contributions by foreign nationals. In 1974, the prohibition was incorporated into the Federal Campaign Act which gave the Federal Election Commission (FEC) jurisdiction over its enforcement and interpretation.

If you have any questions on this matter, please call the FEC in Washington, D.C. at 800 424-9530 or (202) 694-1120.

CHAPTER 4

MULTILINGUAL VOTING SERVICES

MULTILINGUAL VOTING SERVICES

BACKGROUND

Public Law 109-246 extended the Voting Rights Act of 1965 (VRA) to federally mandate that Los Angeles County provide written and oral election assistance to limited-English. In January 2000, the Department of Justice further directed this office to **transliterate** the names of candidates in those languages that do not use Roman Characters. (*Transliteration* is the process of reproducing phonetic sounds as closely as possible from one alphabet or writing system into another.)

TRANSLATION OF ELECTION MATERIALS

The **six** languages that are required pursuant to The Voting Rights Act in Los Angeles County are **Cambodian/Khmer, Chinese, Korean, Spanish, Tagalog/Filipino, and Vietnamese.**

Also, pursuant to California Elections Code Section 14201, Los Angeles County is required to provide assistance in the following languages: **Armenian, Bengali, Burmese, Farsi, Gujarati, Indonesian, Hindi, Japanese, Mongolian, Telegu, and Thai.**

Additionally, Los Angeles County will continue to support **Russian.**

IMPLICATIONS TO CANDIDATE COST

The County will automatically provide *translated sample ballot booklets* to voters who request it two weeks before the election and after they received the English sample ballot booklet. However, as noted in the *Candidate Statements* (see Chapter 4) there is a cost for a Spanish translated candidate statement which appears in the English sample ballot booklet. This translation is optional, and the candidate needs to make a request for this service and pay for it when they file candidate statements with the county elections official.

TRANSLATION OF CANDIDATE STATEMENTS

Candidates are encouraged to keep the translation process in mind when developing their statements and use unmistakable and straightforward vocabulary. The use of jargon, colloquialisms, slang, or other expressions is strongly discouraged, as these are difficult to translate appropriately into other languages and their meaning may often be misinterpreted or lost.

It is not the policy of this Department to accept translated statements from candidates. This is to ensure that translated materials are culturally and linguistically appropriate. Certified subject matter experts and linguists, who have extensive experience translating election materials, translate these statements and other documents.

TRANSLITERATION OF CANDIDATE NAMES

For certain languages, this department will transliterate your name. Candidates will also be permitted to submit their own transliterations for each or all of these languages. A review period will be established to allow candidates to request changes prior to the translated sample ballot print deadline. Various community groups and news media assist this office by reviewing submitted transliterations to ensure uniform name recognition within the community. Once transliterations are considered final, no further changes or submission of transliteration requests will be accepted after the review period. **There will be no exceptions.**

All candidates will be required to file a transliteration form (see next page) together with their nomination documents. Transliteration forms must be submitted no later than the last day to file nomination documents.

TRANSLITERATION REVIEW PERIOD

Candidates may review transliteration of their names. Requests for changes must be submitted to the county elections official only during the established review period. Timeframe: **E-62 through E-60** (subject to change). To review your transliterated name and obtain the schedule for the established review period, you may call (562) 462-2730.

MULTILINGUAL VOTER SERVICES

The ML Voter Services Program includes services such as:

- ◆ ML Assistance Hotline (1-800) 481-8683
- ◆ Mailing of translated election materials to voters before every election, upon request
- ◆ ML assistance at targeted vote center locations

Translated copies of the “ML Voter Services” information sheet are available at the RR/CC Election Information counter, 2nd Floor, Room 2013. For further assistance please contact the Ballot Management Section at (562) 462-2832.

ELECTION RESULTS

ELECTION RESULTS/CANVASS/ ELECTION CONTESTS/RECOUNTS

TABULATION OF ELECTION RESULTS

Can a candidate view all parts of the ballot counting process? Yes, the ballot counting process is open to public observation. If you wish to observe the process, you may go to the lobby located at the Downey Tally Operations Center at 9150 E. Imperial Highway, Downey, CA 90242, to check in and be provided with an observer's badge. Tours are available.

How/where are results available on election night?

- **Website:** Results are available on the Internet at www.lavote.net
- **In person:** You are welcome to come to the Tally Center which is open for public observation. Please call (562) 462-2665 to make a reservation.
- **Downey Tally Operations Center:** Hard copy bulletins are printed and distributed.

Are election night results final? No. California State law allows a specified period after the election for the completion of the official canvass. Results released on election night are semi-official.

POST ELECTION NIGHT RESULTS

Supplemental counts of outstanding ballots will be scheduled to begin approximately 3 days after the election. These counts are conducted to get the majority of Vote By Mail and provisional ballots tallied during the canvass process.

Outstanding ballots include:

- Vote By Mail ballots turned in at the vote center locations on election day
- Write-in ballots
- Provisional ballots voted at the vote center locations

Semi-official election results are updated following a supplemental count. If a race is very close, the outcome may not be known until the canvass is complete.

CANVASS/CERTIFICATION

Canvass is the process of reconciling election day data and the supplemental counting of Vote By Mail ballots turned in at the vote center locations, including provisionally cast and write-in ballots. The numbers of voted ballots reported by vote center staff and Vote By Mail ballots are matched to the computer tally. California law permits 30 days to complete the official canvass and certify the final results of the election. The law recognizes the complexity of completing the ballot count and conducting a thorough audit of the election results to ensure accuracy. Part of the canvass process is a legally required manual recount of the votes cast for all candidates and measures on the ballot in 1% of all of the voting precincts in an election. This manual process verifies the accuracy of the computer count.

Candidates and members of the general public are invited to observe supplemental ballot counting and the manual tally of ballots from randomly selected voting precincts. After election night, the schedule of supplemental ballot counting is posted in our Norwalk office.

STATEMENT OF VOTES CAST

The Semifinal Official Canvass Statement of Votes Cast (SVC) which reports election results by individual voting precincts is available the Thursday after the election at the elections office. For most elections, this report is also posted on the department's website. Once the election is certified, the final Statement of Votes Cast is made available at our office and on the website.

ELECTION CONTEST

An election contest may involve a recount, but it is not the same as a requested recount. It is a court action and can be filed for a variety of reasons and at different times. For complete information, refer to Elections Code Division 16, Election Contests.

DOCUMENT RETENTION

Certain precinct supplies and all voted ballots must be preserved for 22 months when a federal office is on the ballot and 6 months for most all other elections. If no legal action is pending at the end of this period, the documents may be destroyed or recycled. Unused ballots may be destroyed or recycled after the election.

REQUESTING A RECOUNT

A recount is conducted by the elections official for the purpose of verifying the number of votes counted for any office or measure in an election. California Elections Code Division 15, Chapter 9, Sections 15620 through 15634 govern voter requested recounts.
