### L.A. County Launches New Make a Plan to Vote Tool on National Voter Registration Day

**LOS ANGELES** – Los Angeles County Registrar-Recorder/County Clerk (RR/CC) Dean C. Logan announced the County's new [Make a Plan to Vote](#) tool on [National Voter Registration Day](#) (NVRD).

NVRD is a nationally recognized civic holiday where volunteers, celebrities, and organizations around the country celebrate and promote voter registration.

To help nearly 1 million eligible but non-registered voters, and the 5.6 million registered voters in L.A. County – the RR/CC has launched the new [Make a Plan to Vote](#) tool.

[Make a Plan to Vote](#) is an easy-to-use website available in 12 languages that guides voters through an online user-friendly experience. While voters are making their plans, they are provided with critical election information and voting resources to ensure they are prepared and know their safe voting options in the Presidential General Election.

The [Make a Plan to Vote](#) tool will be available now through Election Day, November 3. Voters are encouraged to make their plan today and whether voting by mail or in-person, vote early!

The mission of the Registrar-Recorder/County Clerk is to serve Los Angeles County by providing essential records management and election services in a fair, accessible and transparent manner.
