GENERAL INFORMATION ON CANDIDATE FILING PROCEDURES

All candidates must be registered voters (**except for judicial candidates**) at the time nomination documents are issued and otherwise qualified to vote for the office for which he or she is filing. (E.C. § 201)

State law requires that all nomination documents contain the candidate's name and the elective office title to which he or she is seeking nomination or election; and be signed by the elections official at the time of issuance. Verbal and written instructions regarding procedures to be followed in completing the nomination process are given to candidates or authorized agents when the forms are issued.

Only official documents issued by the Registrar-Recorder/County Clerk's office may be used. The forms are available at the Registrar-Recorder/County Clerk's office, 12400 Imperial Highway, Norwalk, 2nd Floor, Room 2013, between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, excluding holidays.

BALLOT DESIGNATION PROVISIONS

SELECTING YOUR BALLOT DESIGNATION – The **ballot designation** describes the current profession, vocation, occupation or incumbency status of the candidate that will appear on the ballot under the candidate's name.

Ballot designations:

- Can be no more than three words.
- Must appear on the Declaration of Candidacy.
- Becomes public record once the information is filed on the Declaration of Candidacy; ballot designations **cannot be changed after the final date to file nomination documents**.

The listing of a designation on the ballot is OPTIONAL. Only one of the following categories is allowed:

- 1) **Elective Office Title:** Words describing an elective office title may be used **IF** the candidate holds the office at the time nomination documents are filed and the office was filled by a vote of the people.

Example A: Governing Board Member

Example B: Board member, XYZ School District

- 2) **Incumbent:** The word **Incumbent** may be used **IF** the candidate is seeking re-election to the same office and was elected to that office by a vote of the people or was appointed as a nominated candidate in lieu of an election.
- 3) **Appointed Incumbent:** The words **Appointed Incumbent** must be used **IF** the candidate was appointed to the office (**other than a judicial office**) and is seeking election to that office. The word Appointed may also be used with the office title.

Example A: Appointed Incumbent

Exception: Candidates appointed to office in lieu of an election **do not** have to use the word appointed.

BALLOT DESIGNATION PROVISIONS (Continued)

- 4) **Principal Occupation:** No more than **three words** to either describe the current principal profession, vocation, or occupation of the candidate **or** the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. Geographical names are considered one word.

Example B: Attorney/Educator/Rancher

Example C: CEO/Councilmember

- 5) **Community Volunteer:** A Community Volunteer shall constitute a valid principal vocation or occupation subject to the following conditions:
- a) A candidate's community volunteer activities constitute his or her principal profession, vocation or occupation.
 - b) A candidate may not use the designation of "community volunteer" in combination with any other principal profession, vocation or occupation.
 - c) A candidate is not engaged concurrently in another principal profession, vocation or occupation.
- 6) **No Occupation Desired:** If no ballot designation is requested, write the word "NONE" and place your initials in the space provided for ballot designation on the Declaration of Candidacy form.

FORMAT OF BALLOT DESIGNATION – Ballot designations selected which exceed space allotted on the ballot (approximately 60 characters) are printed in a smaller typeface pursuant to § 13107(f) of the California Elections Code.

In all cases, the words so used shall be printed in 8-point roman uppercase and lowercase type except that, if the designation selected is so long that it would conflict with the space requirements of Sections 13207 and 13211, the elections official shall use a type size for the designation for each candidate for that office sufficiently smaller to meet these requirements. **Restrictions:** The rules governing ballot designations can be the subject of confusion. The California Secretary of State's ballot designation regulations are available at the public counter in the Election Information Section, 2nd Floor, Room 2013.

BALLOT DESIGNATION WORKSHEET – A Ballot Designation Worksheet that supports the use of that ballot designation is required to be filed with the Registrar-Recorder/County Clerk at the same time as the Declaration of Candidacy. If a candidate fails to file a Ballot Designation Worksheet, no designation will appear on the ballot. (E.C. § 13107.3)

REJECTION OF BALLOT DESIGNATION – If the designation is in violation of any of the restrictions set forth in the California Elections Code, the candidate will be notified by certified mail with a return receipt addressed to the mailing address appearing on the candidate's ballot designation worksheet. If an alternative designation is not provided within the time allowed, no designation will appear on the ballot. (E.C. § 13107(c))

BALLOT DESIGNATION PROVISIONS (Continued)

UNACCEPTABLE DESIGNATIONS – Pursuant to Elections Code § 13107(b), the elections official shall not accept a ballot designation if:

- a. It would mislead the voter.
- b. It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
- c. It abbreviates the word “retired” or places it following any word(s) that it modifies.
- d. It includes a word or prefix, such as “former” or “ex-,” which means a prior status. The only exception is the use of the word “retired.”
- e. It includes the name of any political party, whether or not it has qualified for the ballot.
- f. It uses a word(s) referring to a racial, religious or ethnic group.
- g. It refers to any activity that is prohibited by law.

GUIDELINES TO ACCEPTABLE BALLOT DESIGNATIONS (BASIC TEST):

CHAPTER 4

CANDIDATE STATEMENTS

CANDIDATE STATEMENTS

California law permits local **nonpartisan**, **congressional**, and **state legislative candidates** to file a candidate statement to be printed and mailed to voters in the Official Sample Ballot Booklet. Candidates for **state legislative** offices who voluntarily choose to limit their campaign expenditures in accordance with Proposition 34 by appropriately filing a Fair Political Practices Commission “FPPC” Form 501 may submit a candidate statement. Filing of a candidate statement is not mandatory, but is permitted if the candidate desires to file and pay the appropriate fee. The word limit for a statement is 250 words. (Govt. Code § 85601)

STATE LAW PROVIDES THAT STATEMENTS MUST BE FILED NO LATER THAN 5:00 P.M. ON THE LAST DAY OF THE NOMINATION PERIOD.

1. Statement is optional and may include the candidate’s age and occupation.
2. Statements may not include references to other candidates. See information below and Notice to Persons Submitting Candidate Statements in this chapter (**Chapter 4**) for restrictions.
3. No changes are allowed after statement is filed.
4. A candidate may request that the statement also be printed in Spanish and included in the Official Sample Ballot Booklet mailed to all voters in the election area. An additional fee is required to print the Spanish statement. **In compliance with California Law, only English and Spanish candidate statements are included in the Official Sample Ballot Booklet for candidates who wish to have one printed at the candidate’s or local agencies’ expense.** (Multilingual translations may be provided in other languages in accordance with federal law. See “Multilingual Translations” later in this chapter for further information.)
5. No reference to candidate’s political party affiliation or any partisan political membership or activity is permitted.
6. If the legislative district to be voted on is shared by more than one county, the candidate must file a statement with each county.
7. If candidate’s name does not appear on the official ballot, the candidate is not entitled to a candidate statement in the Official Sample Ballot Booklet.
(E. C. § 302)

NOTE: *The Official Vote By Mail Voting Instructions and Guide does not include candidate statements.*

ESTIMATED COST – The form on which statement is submitted is issued with nomination documents and contains word limitation information and an estimated cost.

NOTE: For shared districts, candidate must file a statement with each county.

The estimated cost is determined prior to all information being available; therefore, it is an approximation of the actual cost that varies from election to election and may be significantly more or less depending on the actual number of candidates filing statements.

FORMAT AND STYLE INFORMATION

1. Statement will be **typed** using Dutch801 Rm BT font in 10 point size. However, the statement may be **typed and submitted** using any standard font. Statements will be printed in uniform type, style and spacing. Text submitted indented or centered will be typed in block paragraph form. See samples of candidate statements later in this chapter for recommended form and style content.
2. Statements will be printed in uniform type, style and spacing. Use block paragraphs and single space format. Text submitted indented or centered will be printed in block paragraph form. Entire statements in all capital letters are not acceptable. Indentations, circles, stars, dots, italics and/or bullets cannot be accommodated. However, you may use dashes/hyphens. It is recommended that you do not use dashes or hyphens at the end of a line. Words to be printed in **boldface type**, underscored and/or CAPITALIZED are to be clearly indicated. Any combinations of enhanced words are counted as one word. However, the number of words/acronyms that can be in **boldface type**, underscored and/or CAPITALIZED shall not exceed 25 words per 200 word statement, 30 words per 250 word statement and 50 words per 400 word statement.
3. All statements should be checked by the candidate for spelling and punctuation as the elections official is not permitted to edit any material contained therein.

NOTE: If a statement is formatted to include numerous paragraph breaks and/or individual listings of accomplishments, endorsements, etc., the printed statement may extend to two (2) pages. In these cases, **the actual cost for the statement may double** and additional cost may be billed to you after the election.

CANDIDATE STATEMENT FORMS – These are examples of Candidate Statement Forms used by **state legislative** and **congressional candidates** in submitting their statement to be printed in the Official Sample Ballot Booklet. CANDIDATE STATEMENTS LIMITED TO CANDIDATE'S OWN QUALIFICATIONS

This applies to all candidates.

The California Elections Code and case law prohibit **CANDIDATES** from making any reference to another candidate or to another candidate's qualification, character or activities. If the **COUNTY ELECTIONS OFFICIAL** discovers improper content in a candidate statement, the **COUNTY ELECTIONS OFFICIAL** will notify the candidate and give the individual an opportunity to correct the improper language in the candidate statement. If the candidate refuses to correct the improper language, the **COUNTY ELECTIONS OFFICIAL**, as well as any other voter, may bring legal action against the candidate to correct the statement. The prevailing party may also be entitled to obtain attorney's fees for bringing the action.

The **COUNTY ELECTIONS OFFICIAL** will not accept language in a candidate statement that in any way makes reference to other candidates or to another candidate's qualifications, character, or activities pursuant to California Elections Code Section 13308. For these candidates, the **COUNTY ELECTIONS OFFICIAL** will remove the improper language from the statement and not allow it to be printed. The candidate will be notified of the improper language and its removal from the statement.

All prospective candidates may want to refer to California Elections Code Sections 13307, 13308, 13311, 13313, and 13314, as well as the California Court of Appeal ruling in *Dean v. However, this list is not exhaustive and candidates are solely responsible for preparation and submittal of candidate's statements that are in conformance with the law. A copy of the above described Elections Code Sections and the *Dean* decision are available from our office at no cost.

WRITE-IN CANDIDATES

<p>GENERAL INFORMATION FOR WRITE-IN CANDIDATES</p>

(Election Code §§ 8600 and 8601)

IMPORTANT: A person may **not** be a write-in candidate at the general election **for a voter-nominated office.**

A person who has not followed the usual procedure for placing his or her name on the ballot for the election may still be elected to office as a write-in candidate.

There is no party affiliation requirement for signers of write-in nomination petitions in the general election. The candidate does not have to be registered with any qualified political party. Additionally, he or she must be registered to vote in California unless the candidate is running for a congressional or judicial office.

NOMINATION PAPERS – Candidate must file the requisite number of signatures on the nomination papers, if any, required pursuant to Sections 8062, 10220, and 10510, or, in the case of a special district not subject to the Uniform District Election Law, the number of signatures required by the principal act of the district.

Write-in candidacy forms must be filed with the Registrar-Recorder/County Clerk **NO LATER THAN 5:00 P.M. ON THE 14th DAY** prior to the election.

A write-in candidate **is not required** to pay a filing fee.

FILING DEADLINE		
SEPT. 8 (M) through OCT. 21 (Tue) 5:00 P.M.	E- 57 - 14	FIRST AND LAST DAY TO FILE STATEMENT OF WRITE-IN CANDIDACY.
OCT. 21 (Tue)	E- 14	LAST DAY FOR GENERAL WRITE-IN CANDIDATES TO FILE.

All candidates are urged to file the following documents as early as possible:

STATEMENT OF WRITE-IN CANDIDACY – Refer to General Information on Filing Procedures for Candidates in Chapter 3 of Section 1 of this handbook.

CANDIDATE CAMPAIGN STATEMENT FORMS – If you have any questions regarding the completion of this form, contact the Campaign Finance Section at (562) 462-2339.

ELECTION RESULTS FOR WRITE-IN CANDIDATES

Write-in election results are not determined until the canvass is completed. California election law allows a prescribed number of days for the conduct of the official canvass. During the official canvass, write-in ballots must be individually reviewed to determine if the write-in vote is for a qualified/unqualified write-in candidate and whether a voter has overvoted. All aspects of the canvass shall be open to the public. **Write-in votes are counted and certified in an election only if qualified candidates have filed the required nomination documents with the elections official.**

OFFICES OMITTED FROM BALLOT – Prospective write-in candidates should note that write-in candidacy is possible only if the office appears on the ballot. When judicial, school and UDEL contests are involved, if the number of persons qualifying for the ballot does not exceed the number of offices to be filled, the election is cancelled and eligible candidates are appointed in lieu of the election. California law however, provides that for such offices a petition indicating that a write-in campaign will be conducted must have been filed with the elections official to require the office(s) be placed on the ballot by means of a petition drive.

(E. C. §§ 8203 and 10515; Ed. Code § 5326)

NAME DOES NOT APPEAR ON BALLOT – If candidate's name does not appear on the official ballot, the candidate is not entitled to a candidate statement in the Official Sample Ballot Booklet.

(E. C. § 302)

WRITE-IN CANDIDATES TO BE ELECTED

TO BE ELECTED

The person who receives a plurality of the votes cast for any office is elected to that office. This includes write-in candidates. (E.C. §15452)

When more than one office is to be filled, those candidates, including qualified write-in candidates, who receive the highest number of votes equal to the number of offices to be filled, are elected. (E.C. § 10551)

NOTE: Please see E.C. §15452 above for exceptions.

REVIEW OF REPORTING REQUIREMENTS
Campaign Disclosure Filing Requirements for
Candidates and Committees

PLEASE READ CAREFULLY....

The Political Reform Act imposes certain duties and obligations on candidates, officeholders, committee treasurers and others participating in the political process. For example:

- Detailed records must be maintained for all financial activity, and contributions received for political purposes must not be commingled with personal funds.
- Campaign statements must be filed at specified times disclosing contributions received, expenditures made, and other financial information. In some cases, candidates can avoid filing long form campaign statements by submitting a “Candidate and Officeholder Campaign Statement Short Form (Form 470).”
- Campaign statements must be hand delivered or postmarked as first-class mail by the legal filing deadline date established by law. NOTE: The **second pre-election statement** must be filed in person or guaranteed overnight delivery. Mail which is not received by the filing officer shall be presumed not to have been sent unless the filer possesses a postal receipt establishing the date of the deposit, and the name and address of the addressee.
- The Political Reform Act provides a formula for assessing late fines of original campaign statements filed in our office. The fine is \$10 per day, starting the day after the filing deadline, until the statement is filed; however, no liability may exceed the cumulative amount of reported contributions, expenditures, of the Form 460 or \$100, whichever is greater.

Failure to submit a required statement is a misdemeanor. Persons who fail to submit required statements are referred to the Fair Political Practices Commission.

DEFEATED CANDIDATES

Defeated candidates must file campaign disclosure reports until the campaign committee has been terminated by filing Form 410 (see part 5).

It is recommended that campaign disclosure statements be mailed by certified mail or by purchasing a certificate of mailing. This will eliminate any question regarding receipt of your statement.

Unsigned forms are incomplete and are not considered filed until they are signed.

PART 1

LEGISLATIVE INTENT

Pursuant to Chapter 976, 1977 Statutes, the Legislature finds and declares:

- (a) That a need exists for adequate identification of the source of campaign Appeals directed at the voters in order to assist them in making rational decisions at the polls.
- (b) That by requiring such identification of campaign literature, the public is better able to evaluate the source of campaign material, may be more adequately informed, and can better distinguish between truth and falsity.
- (c) That by requiring identification, anonymous attacks, which cannot adequately be responded to in the heat of a campaign, will be discouraged.
- (d) That by requiring identification, a candidate who believes he or she has been libeled may more readily seek redress in a civil action for damages.
- (e) That limiting identification requirements to pejorative campaign material is inadequate because subtle attacks on candidates or measures can be framed which appear to be supportive but, in fact, are pejorative.
- (f) That a distinction needs to be made between campaign materials of small size that usually carry little more than a "Vote for _____" message, such as is often the case with buttons, matchbooks, pens, and the like, on the one hand, and campaign materials which carry more complex messages, on the other. In the case of the former, because of their characteristically small size and limited content, it would be an undue burden to require that identification as to source be included.

PART 2

MASS MAILINGS

Definition.

"Mass mailing" means over two hundred substantially similar pieces of mail, but does not include a form letter or other mail which is sent in response to an unsolicited request, letter or other inquiry.

Gov. Code § 82041.5

Manner of sending mass mailings.

- (a) Except as provided in subdivision (b), no candidate or committee shall send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of such mailing in no less than 6-point type. A post office box may be stated in lieu of a street address if the organization's address is a matter of public record with the Secretary of State.

GENERAL CAMPAIGN INFORMATION (Continued)

- (b) If the sender of the mass mailing is a single candidate or committee, the name, street address, and city of the candidate or committee need only be shown on the outside of each piece of mail.
- (c) If the sender of a mass mailing is a controlled committee, the name of the person controlling the committee shall be included in addition to the information required by subdivision. **Gov. Code § 84305**

Newsletter or mass mailing.

No newsletter or other mass mailing shall be sent at public expense. **Gov. Code § 89001**

PART 3

TRUTH IN ENDORSEMENTS LAW

Legislature's findings.

The Legislature hereby finds the following to be true:

- (1) The major political parties have become an integral part of the American governmental system requiring regulation as to their structure, governing bodies, and functions by state government in the public interest.
- (2) The Legislature has found it necessary and appropriate in the regulation of political parties to create and provide for the convening of state conventions, state central committees, and county central committees for parties qualified by law to participate in the direct primary election, by statute.
- (3) Over the several years preceding the adoption of this section organizations of electors using as a part of their names the name of a political party qualified to participate in the direct primary election have endorsed candidates for nomination of that party for partisan office in the direct primary election and have publicized and promulgated such endorsements in a manner which has resulted in considerable public doubt and confusion as to whether such endorsements are those of a private group of citizens or of an official governing body of a political party.
- (4) The voting public is entitled to protection by law from deception in political campaigns in the same manner and for the same reasons that it is entitled to protection from deception by advertisers of commercial products.

E. C. § 20001

Restraining order or injunction.

The superior court, in any case brought before it by any registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, broadcasting, or telecasting of any matter in violation of this chapter, and all cases of this nature shall be in a preferred position for purposes of trial and appeal, so as to assure the speedy disposition thereof. **E. C. § 20006**

Representation requirements.

No candidate or committee in his or her behalf shall represent in connection with an election campaign, either orally or in campaign material, that the candidate has the support of a committee or organization which includes as part of its name the name or any variation upon the name of a qualified political party with which the candidate is not affiliated, together with the words “county committee,” “central committee,” “county,” or any other term that might tend to mislead the voters into believing that the candidate has the support of the party’s county central committee or state central committee, when that is not the case.

This section shall not be construed to prevent a candidate or committee from representing that the candidate has the support of a committee or group of voters affiliated with another political party, which committee or group is identified by the name of that party, where the name of the committee or group also includes the name of the candidate.

Any member of a county central committee or state central committee may commence in his or her behalf, in the manner prohibited by this section, to the effect that the candidate has the support of the state or county central committee involved.

E. C. § 20007

Political advertisement requirements.

Any paid political advertisement that refers to an election or to any candidate for state or local elective office and that is contained in or distributed with a newspaper, shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the advertisement or in 10-point roman type, whichever is larger, the words “Paid Political Advertisement.” The words shall be set apart from any other printed matter.

As used in this section “paid political advertisement” shall mean and shall be limited to, published statements paid for by advertisers for purposes of supporting or defeating any person who has filed for an elective state or local office.

E. C. § 20008

Simulated ballot requirements.

- (a) Every simulated ballot or simulated sample ballot shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of such statement or words or in 10-point roman type, whichever is larger, in a printed or drawn box and set apart from any other printed matter, the following statement:

<p>“NOTICE TO VOTERS” (Required by Law)</p> <p>“This is not an official ballot or an official sample ballot prepared by the county elections official or the Secretary of State.”</p> <p>“This is an unofficial, marked ballot prepared by _____ (insert name and address of the person or organization responsible for preparation thereof).”</p>
--

GENERAL CAMPAIGN INFORMATION (Continued)

Nothing in this section shall be construed to require this notice in any editorial or other statement appearing in a regularly published newspaper or magazine other than a paid political advertisement.

- (b) No simulated ballot or simulated sample ballot referred to in subdivision (a) shall bear any official seal or the insignia of any public entity, nor shall that seal or insignia appear upon the envelope in which it is mailed or otherwise delivered.
- (c) The superior court, in any case brought before it by any registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, or distribution of any matter in violation of this section, and all cases of this nature shall be in a preferred position for purposes of trial and appeal, so as to assure the speedy disposition thereof.

E. C. § 20009

No pictures of candidates in campaign material.

- (a) Except as provided in subdivision (b) no person, firm, association, corporation, campaign committee, or organization may, with actual malice, produce, distribute, publish, or broadcast campaign material that contains (1) a picture or photograph of a person or persons into which the image of a candidate for public office is superimposed or (2) a picture or photograph of a candidate for public office into which the image of another person or persons is superimposed. "Campaign material" includes, but is not limited to, any printed matter, advertisement in a newspaper or other periodical, television commercial, or computer image. For purposes of this section, "actual malice" means the knowledge that the image of a person has been superimposed on a picture or photograph to create a false representation, or a reckless disregard of whether or not the image of a person has been superimposed on a picture or photograph to create a false representation.
- (b) A person, firm, association, corporation, campaign committee, or organization may produce, distribute, publish, or broadcast campaign material that contains a picture or photograph prohibited by subdivision (a) only if each picture or photograph in the campaign material includes the following statement in the same point size type as the largest point size type used elsewhere in the campaign material: "This picture is not an accurate representation of fact." The statement shall be immediately adjacent to each picture or photograph prohibited by subdivision (a).

GENERAL CAMPAIGN INFORMATION (Continued)

- (c) (1) Any registered voter may seek a temporary restraining order and an injunction prohibiting the publication, distribution, or broadcasting of any campaign material in violation of this section. Upon filing a petition under this section, the plaintiff may obtain a temporary restraining order in accordance with Section 527 of the Code of Civil Procedure.
- (2) A candidate for public office whose likeness appears in a picture or photograph prohibited by subdivision (a) may bring a civil action against any person, firm, association, corporation, campaign committee, or organization that produced, distributed, published, or broadcast the picture or photograph prohibited by subdivision (a). The court may award damages in an amount equal to the cost of producing, distributing, publishing, or broadcasting the campaign material that violated this section, in addition to reasonable attorney's fees and costs.
- (d) (1) This act shall not apply to a holder of a license granted pursuant to the Federal Communications Act of 1934 (47 U.S.C. § 151 et seq.) in the performance of the functions for which the license is granted.
- (2) This act shall not apply to the publisher or an employee of a newspaper, magazine, or other periodical that is published on a regular basis for any material published in that newspaper, magazine, or other periodical. For purposes of this subdivision, a "newspaper, magazine, or other periodical that is published on a regular basis" shall not include any newspaper, magazine, or other periodical that has as its primary purpose the publication of campaign advertising or communication, as defined by Section 304. **E. C. § 20010**

PART 4

PRINTING OF SIMULATED SAMPLE BALLOTS

In addition to any other penalty, any person who prints or otherwise duplicates, or causes to be printed or duplicated, a simulated ballot or simulated sample ballot that does not contain the statement required by Section 20009 or that uses an official seal or insignia in violation thereof, is guilty of a misdemeanor. **E. C. § 18301**

PART 5

DISTRIBUTION OF PRECINCT POLLING PLACE INFORMATION

Every person is guilty of a misdemeanor who knowingly causes to be mailed or distributed, or knowingly mails or distributes, literature to any voter which includes a designation of the voter's precinct polling place other than a precinct polling place listed for that voter in an official precinct polling list that constituted the latest official precinct polling list at sometime not more than 30 days prior to such mailing or distribution.

E. C. § 18302

PART 6

**ELECTIONEERING/INTIMIDATION OF VOTERS/
POSSESSION OF FIREARMS AT POLLING PLACES**

Legislature's findings.

The Legislature finds and declares that no person, other than the voter and the election official, should have access to, or possession of, the ballot except as permitted by the Federal Voting Rights Act of 1965, as amended.

Electioneering within 100 feet of a polling place.

No person, on election day, or at any time that a voter might be casting a ballot, shall within 100 feet of a polling place or an elections official's office:

- (a) Circulate an initiative, referendum, recall, or nomination petition or any other petition.
- (b) Solicit a vote or speak to a voter on the subject of marking his or her ballot.
- (c) Place a sign relating to voters' qualifications or speak to a voter on the subject of his or her qualifications except as provided in Section 14240.
- (d) Do any electioneering.

As used in this section "100 feet of a polling place or an elections official's office" means a distance of 100 feet from the room or rooms in which voters are signing the roster and casting ballots.

Any person who violates any of the provisions of this section is guilty of a misdemeanor.

E. C. § 18370

Electioneering during Vote By Mail voting.

- (a) No candidate or representative of a candidate, and no proponent, opponent, or representative of a proponent or opponent, of an initiative, referendum, or recall measure, or of a charter amendment, shall solicit the vote of a Vote By Mail voter, or do any electioneering, while in the residence or in the immediate presence of the voter, and during the time he or she knows the Vote By Mail voter is voting.
- (b) Any person who knowingly violates this section is guilty of a misdemeanor.

 - (a) The voter's name and residence address as they appear on the voter's affidavit of registration.
 - (b) The name and date of the election for which the Vote By Mail ballot is being requested.
 - (c) The deadline date by which the application must be received by the elections official.

- (3) The voter must personally affix his or her signature.
- (4) The mailing address to which a Vote By Mail ballot is requested to be sent may not be the address of any political party, political campaign headquarters, or a candidate's residence. This provision, of course, does not apply to the candidate or the candidate's immediate family members or housemates who requests that a Vote By Mail ballot be mailed to the candidate's residence address.
- (5) Any application containing preprinted information shall contain the following statement (verbatim):

You have the legal right to mail or deliver this application directly to the local elections official of the county where you reside.

This statement must be conspicuously printed on the application form.

- (6) The name, address and telephone number of any organization, individual or group which authorizes the distribution of applications shall be printed on the application.
- (7) Any individual, organization or group that distributes applications for Vote By Mail voter ballots and receives completed application forms back from voters shall deliver the forms to the appropriate elections official **within 72 hours** of receiving the completed forms. **Note that Elections Code § 18576 makes it a misdemeanor to delay the proper return of a Vote By Mail voter application.**

PART 11

FEDERAL LAW PROHIBITING FOREIGN NATIONALS FROM MAKING CONTRIBUTIONS OR EXPENDITURES

Federal law prohibits foreign nationals from making contributions or expenditures in connection with any U.S. election (federal, state, or local), either directly or through another person. This prohibition applies to foreign-owned corporations and associations, as well as to foreign governments, political parties and certain individuals and partnerships. Additionally, U.S. candidates for federal, state and local offices are prohibited from accepting contributions from these sources.

The ban on political contributions and expenditures by foreign nationals was first enacted in 1966 as part of the amendments to the Foreign Agents Registration Act (FARA), an “internal security” statute. The goal of the FARA was to minimize foreign intervention in U.S. elections by establishing a series of limitations on foreign nationals. These included registration requirements for the agents of foreign principals and general prohibition on political contributions by foreign nationals. In 1974, the prohibition was incorporated into the Federal Campaign Act which gave the Federal Election Commission (FEC) jurisdiction over its enforcement and interpretation.

If you have any questions on this matter, please call the FEC in Washington, D.C. at 800 424-9530 or (202) 694-1120.

MULTILINGUAL VOTING SERVICES

BACKGROUND

Public Law 109-246 extended the Voting Rights Act of 1965 (VRA) to federally mandate that Los Angeles County provide written and oral election assistance to limited-English, Chinese, Japanese, Korean, Spanish, Tagalog/Filipino and Vietnamese-speaking voters. In January 2000, the Department of Justice further directed this office to **transliterate** the names of candidates in those languages that do not use Roman Characters. (*Transliteration* is the process of reproducing phonetic sounds as closely as possible from one alphabet or writing system into another.) These languages include Chinese, Japanese and Korean.

After the 2010 Census, the following languages were included: Hindi, Khmer and Thai.

TRANSLATION OF ELECTION MATERIALS

A language is considered to be covered by the Voting Rights Act (VRA) and thus mandatory for translation of election materials if 1) more than 5% of the citizens of voting age are members of a single language minority and are limited English proficient (LEP) or 2) more than 10,000 of the citizens of voting age are members of a single language minority and are limited English proficient.

Although the VRA has established a 5% threshold for languages to be covered, Los Angeles County has set a 3% standard as established by the State Elections Code (§14201.) to provide minority language materials in every election. If the number of eligible voters for a specific language is higher or equal to the 3% criteria, that language qualifies for translation. Languages that fall under the 3% criteria do not qualify for translation. This criteria not only identifies the election district/city areas throughout the county with a cost-effective method of meeting the VRA requirements, but also helps minimize printing/translation costs for election jurisdictions. The nine minority languages that are required by Federal mandates in Los Angeles County are Chinese, Hindi, Japanese, Khmer, Korean, Spanish, Tagalog/Filipino, Thai and Vietnamese.

IMPLICATIONS TO CANDIDATE COST

The County will automatically provide *translated sample ballot booklets* to voters who request it two weeks before the election and after they received the English sample ballot booklet. However, as noted in the *Candidate Statements* (see Chapter 4) there is a cost for a Spanish translated candidate statement which appears in the English sample ballot booklet. This translation is optional and the candidate needs to make a request for this service and pay for it when he/she files candidate statements with the county elections official.

TRANSLITERATION OF CANDIDATE NAMES

For certain languages, this department will transliterate your name. Candidate names will be transliterated to Chinese, Hindi, Japanese, Khmer, Korean and Thai. Candidates will also be permitted to submit their own transliterations for each or all of these languages. A review period will be established to allow candidates to request changes prior to the translated sample ballot print deadline. Various minority community groups and news media assist this office by reviewing submitted transliterations to insure uniform name recognition within the community. Once transliterations are considered final, no further changes or submission of transliteration requests will be accepted after the review period. **There will be no exceptions.**

All candidates will be required to file a transliteration form (see next page) together with their nomination documents. Transliteration forms must be submitted no later than the last day to file nomination documents.

TRANSLITERATION REVIEW PERIOD

Candidates may review transliteration of their names. Requests for changes must be submitted to the county elections official only during the established review period. Timeframe: **E-62 through E-60** (subject to change). To review your transliterated name and obtain the schedule for the established review period, you may call (562) 462-2730.

MULTILINGUAL VOTER SERVICES

The ML Voter Services Program includes services such as:

- ◆ Multilingual Assistance Hotline (1-800) 481-8683
- ◆ Mailing of translated election materials to voters before every election, upon request
- ◆ Multilingual assistance at targeted polling places

CHAPTER 5

ELECTION DAY

ELECTION DAY

ENHANCED VOTING SYSTEM – INKAVOTE PLUS

Voters will be using the InkaVote Plus voting system at all voting precincts on Election Day. InkaVote Plus enhances the existing InkaVote optical scan system to comply with federal Help America Vote Act (HAVA) requirements. The enhanced system allows disabled voters, including those who are blind and visually impaired, to cast a ballot privately and independently using an audio headset. Additionally, the InkaVote Plus system will provide all voters with the opportunity to have their ballots reviewed for errors prior to casting their votes.

After using the inking device provided to mark the InkaVote ballot, the voter will insert the ballot into the ballot reader slot. The ballot reader machine will alert the voter if a mistake occurred - for example, if a voter "overvoted" in any one contest for more candidates than allowed. The voter may then receive a replacement ballot to correct the error.

HELP AMERICA VOTE ACT (HAVA) – UPDATE ON VOTER REGISTRATION

As of January 1, 2006, federal HAVA law requires every state to have a statewide voter registration database in place. As a result, in order to be listed on the California voter file, each person must provide a California Driver License (CDL) number when registering or re-registering to vote. Persons who do not have a CDL may provide a California State Identification (ID) number issued by the State's Department of Motor Vehicles (DMV). Any person who does not have either a driver license or State ID number must provide the last four digits of his/her social security number. All voter registration forms must then be cleared by the California Secretary of State (SOS) system (CalVoter) prior to the registration or re-registration becoming effective. Clearance by the SOS's CalVoter system involves matching information provided by the voter on the registration form against the DMV database or federal social security information to verify identity.

When assisting voters with the voter registration process, please ensure that they provide a CDL or State ID number on the form.

POLLING PLACES AND POLLWORKERS

Basic Information

- ◆ Polling Place Hours: 7:00 a.m. until 8:00 p.m.
- ◆ There will be approximately 5,000 polling places for the November 4, 2014 General Election.

Questions and Answers

- Q.** *Can a candidate or a close relative of a candidate serve as a **pollworker** for the election in which he/she is running?*
- A.** No. This is not legally allowed.
- Q.** *Can a candidate host a **polling place** at his/her residence or office on Election Day?*
- A.** No. This is not legally allowed.

QUESTIONS AND ANSWERS: (Continued)

*Q. How can candidates get a list of **polling place** locations?*

A. Contact the Election Information Section at 1-800-481-VOTE (8683) or (562) 466-1310. There is a small fee for this service. A small number of polling locations change after sample ballots are mailed to voters. Voters are notified of polling place changes via a “polls change postcard.” All polling locations are kept current on our website at www.lavote.net and are accessible for any voter to view by clicking on “Polling Place and Sample Ballot Look Up”.

NOTE: Every person is guilty of a misdemeanor who knowingly causes to be mailed or distributed, or knowingly mails or distributes, literature to any voter that includes a designation of the voter’s precinct polling place other than a precinct polling place listed for that voter in an official precinct polling list that constituted the latest official precinct polling list at sometime not more than 30 days prior to the mailing or distribution. **E. C. § 18302**

*Q. Why do **polling places** change?*

A. Despite best efforts to locate and secure long-term hosts for voting locations, an average of 8-10% of Los Angeles County polling places change between major elections. Facilities used in the past may not be available due to 1) other commitments on that date or reconstruction; 2) precinct boundary lines revised to comply with new legal requirements; 3) determination of non-accessibility to voters with disabilities; 4) complaints from voters regarding former voting location such as insufficient parking, lighting, etc.; and 5) different groupings of districts from one election to the next, making it necessary to alter voting precinct boundary lines.

*Q. What do **pollworkers** do and how are they compensated?*

A. Pollworkers are civic-minded citizens who help to set up the voting locations (polls), assist voters when signing in, demonstrate how to use the voting system, issue ballots, etc. After the polls close, pollworkers are responsible for accounting for all the ballots, packing up election supplies and delivering ballots and supplies to a designated Check-in-Center.

Every poll has an Inspector who is in charge and several pollworker clerks depending on the number of registered voters in the precinct. Inspectors receive up to a \$175 stipend and clerks receive up to \$105.

QUESTIONS AND ANSWERS: (Continued)

- Q.** *Is it legal for high school students to serve as **pollworkers**?*
- A.** State law allows qualified high school students to serve as “student pollworkers” on Election Day. The Student Pollworker Program (SPP) is a great way to introduce young people to democracy in action and at the same time provide a valuable community service. Students who serve as regular members of a precinct board on Election Day receive the \$80 pollworker stipend, plus a \$25 bonus if they attend a training class. Students must be U.S. citizens at least 16 years of age with a grade point average of 2.5.
- Q.** *Do you know any **bilingual voters** who might be willing to serve as a **pollworker**?*
- A.** The federal Voting Rights Act requires that **bilingual/multilingual pollworkers** be hired in targeted polling places to provide oral assistance to limited-English proficiency voters. The RR/CC is currently recruiting Chinese, Hindi, Japanese, Khmer, Korean, Spanish, Tagalog/Filipino, Thai, and Vietnamese-speaking poll workers.

BILINGUAL/MULTILINGUAL POLLWORKERS

Bilingual/Multilingual pollworkers must be registered voters who speak English well enough to explain election procedures to English speaking voters. They must also understand English well enough to assimilate the difficult procedures taught in the training classes.

Bilingual/Multilingual pollworkers are vital in helping citizens with limited English proficiency to exercise their voting privileges. They assist voters, whose primary language is not English, and help them understand voting procedures by responding to their questions. As a means to address the bilingual/multilingual pollworker recruitment challenges, a “Pollworker/Recruiter” Program, which brought community activists into recruiting bilingual/multilingual pollworkers from their communities, was launched in 1998. In addition, to solve general pollworker recruiting issues, Los Angeles County has developed the Student Pollworker and County Employee Pollworker Programs. The County has utilized these programs, in addition to the Pollworker/Recruiter Program, to address bilingual/multilingual pollworker recruiting challenges. By working together, we can eliminate problems early.

BILINGUAL/MULTILINGUAL POLLWORKERS (Continued)

Los Angeles County employs a four-part system to identify "targeted" polling places for oral assistance. This "targeting" system was negotiated over a two-year period with attorneys from Los Angeles County, the Department of Justice and community-based organizations. The four elements of the targeting system are:

- **Census Data.** This is simply a "Yes – Targeted" or "No – Not Targeted" designation per voting precinct. All census data targeted precincts are placed on a high targeted list.
- **Multilingual Requests on File.** This category reflects the number of voter requests for language assistance which are on the voter file for a given voting precinct. The standard for targeting is twenty or more requests for all federally mandated languages: Chinese, Hindi, Japanese, Khmer, Korean, Spanish, Tagalog/Filipino, Thai, and Vietnamese. Precincts with twenty or more such requests are placed on a (high) targeted list.
- **Input from Community Based Organizations.** If a community based organization indicates that a neighborhood should be targeted for a particular language due to community awareness of a high number of language minority voters in a specific language(s), the polling places in that immediate neighborhood are targeted for future elections and are placed on a secondary targeted list.
- **Multilingual Tally Card.** The "Multilingual Tally Card" is provided to each polling place for pollworkers to keep track of voters requesting language assistance. If more than five voters request language assistance in any language in a precinct not already targeted, such precincts are placed on a tertiary targeted list.

NEIGHBORHOOD VOTING CENTERS (NVCs)

In an effort to recruit and retain voting locations which are visible, stable, sizeable, and accessible for voters with disabilities and adaptable to more sophisticated voting technologies, the County is moving in the direction of centralized Election Day voting locations which can accommodate more than one precinct. (Current state law limits precinct size to a maximum of 1000.)

Between major elections, approximately 8 to 10 percent of LA County polling places are replaced because the previous location is no longer available. The transition to NVCs will mean identifying and securing long-term partnerships with polling place hosts, which will help minimize voter confusion. Examples include government buildings, schools, recreation centers and community centers.

The County will continue to provide a variety of services to assist in directing voters to their correct poll including listing the poll address on the back of the Official Sample Ballot, posting poll addresses on the County website, and an automated phone system which can be accessed 24 hours a day.

ELECTION DAY SERVICES FOR VOTERS WITH SPECIFIC NEEDS

Assistance in Voting. Under California law, any voter who needs help in casting a ballot is entitled to request assistance. A pollworker can provide assistance or the voter may select a person of his or her choice. If the voter is unable to mark the ballot, the voter may choose up to two people to help cast his/her vote. The assistants may not be the voter's employer, the employer's agent or the voter's labor union leader or agent.

Curbside Voting. Any voter who cannot reach the voting area at the polling place because of architectural barriers or physical limitations may request to vote "curbside" (outside of the polling location.) A pollworker will bring a ballot and marking device to the voter, assist the voter if necessary, and place the voter's ballot in the box.

Large Handle Pen. A special pen with a large ball for easy gripping is available at each polling place in Los Angeles County. This pen allows persons who are unable to grasp the regular pen to more easily mark the ballot card.

Voters with Vision Impairments. Each polling place displays voting instructions in large type. Magnifying devices are also available for voters who may have difficulty reading the ballot.

Wheelchair Accessible Voting Booths. Designated wheelchair accessible voting booths are available at every county poll location.

A GUIDE FOR POLL WATCHERS

Poll watchers are persons interested in election proceedings who are entitled to observe polling place operations during voting hours. However, poll watchers may not disrupt the election process or interfere with a voter's right to cast a secret ballot. Poll watchers often represent candidates, political campaigns and/or organizations.

Pollworkers are appointed by the Registrar-Recorder/County Clerk and are responsible for all phases of the election that take place at the polls. They will comply with poll watchers' requests for voter information.

The following pages contain rules and procedures that all observers at the polling places must comply with at all times.

A GUIDE FOR POLL WATCHERS (Continued)

1. Vote counting activities at the polls and the tally center are open to public observation but no interference will be allowed during the proceedings. Interference with the election and canvass, or with a voter casting a ballot, is punishable by imprisonment in state prison for up to three years. **(E.C. § 18502)**

Only pollworkers have the right to challenge a person's eligibility to vote at the polls. A challenge may be made only upon sufficient probable cause. Pollworkers are instructed to report the presence of any persons or signs which may be intimidating to voters or cause interference with the voting process to the Registrar-Recorder/ County Clerk Department. **(E.C. §14240)**

The use of force, violence or tactic of coercion or intimidation to compel a person to refrain from voting at any election is a felony punishable by imprisonment in state prison. **(E.C. § 18540)**

2. Damaging or tampering with voting equipment or official election materials in a polling place is a felony, punishable by imprisonment for 2, 3, or 4 years. **(E.C. § 18564)**

3. Electioneering is not permitted within 100 feet of the polling place; that is, within 100 feet from the entrance or door to the room or rooms in which voters sign the roster and cast their ballots. Exit polling is permitted, however, no closer than 25 feet of polling places by news media or other organizations surveying voters as to how they voted. Media may come into a poll to film or interview voters, including voters in the booth, as long as the voter consents and there is no disruption to other voters or the voting process. **(E.C. § 18370 and A.G. Opinion)**

4. Only pollworkers can post signs within 100 feet of a polling place. Talking in loud voices, disruptive behavior which causes confusion or the congregating of excessive numbers of persons inside the polling place is not permitted. Onsite telephones or other facilities are not available for the use of poll watchers.

5. Wearing campaign badges or taking campaign material or literature into the polling place is not permitted.

6. Poll watchers may not sit at the official table. **(E.C. § 14223(a))**

A GUIDE FOR POLL WATCHERS (Continued)

7. The area between the official table and the voting booths is accessible to voters only and may not be designated as an observer post. **(E.C. § 14221)**
8. Street indices marked to indicate persons who have voted are posted for reference by the public. Signature rosters may be inspected at any time provided there is no interference with poll operations or delay or inconvenience to the voters. **(E.C. §§ 14202 & 14223(b))**
9. The American flag must be prominently displayed (regardless of weather conditions) during all polling hours. **(E.C. § 14105(f))**
10. At the opening of the polls the ballot box must be opened, exhibited to be empty, closed, and remain locked until the last ballot is cast and the polls are closed. **(E.C. § 14215)**
11. If a polling place is inaccessible to a voter with a disability, the voter may vote a ballot outside the premises in an accessible area as near as possible to the polling place. **(E.C. § 14282(c))**
12. Voters may request and receive assistance in voting if they declare under oath that they are unable to mark their ballots. **(E.C. § 14282(a))**
13. A voting booth may not be occupied by more than one person at a time unless a person is assisting the voter as provided by law. **(E.C. §§ 14281, 14222 and 14224)**
14. Pollworkers may communicate with voters in a language other than English, but are permitted to do so only to provide election information or instructions. Special language assistants are permitted to help voters in the voting booth without a time limit. **(E.C. § 14227 and the Voting Rights Act, VRA)**
15. Smoking is not permitted inside the polling place.

CHAPTER 6

ELECTION RESULTS

ELECTION RESULTS/CANVASS/ ELECTION CONTESTS/RECOUNTS

TABULATION OF ELECTION RESULTS

Can a candidate view all parts of the ballot counting process? Yes, the ballot counting process is open to public observation. If you wish to observe the process, you may go to the lobby, located on the 1st floor of the Norwalk headquarters, to check in and be provided with an observer's badge. Tours are available.

How/where are results available on election night?

- **Website:** Results are available on the Internet at www.lavote.net
- **In person:** You are welcome to come to the Tally Center which is open for public observation. Please call (562) 462-2665 to make a reservation.
- **Norwalk Headquarters:** Hard copy bulletins are printed and distributed on the 3rd floor near the Microcomputer Tally System (MTS) room.

Are election night results final? No. California State law allows a specified period after the election for the completion of the official canvass. Results released on election night are semi-official.

POST ELECTION NIGHT RESULTS

Supplemental counts of outstanding ballots will be scheduled to begin approximately 3 days after the election. These counts are conducted to get the majority of Vote By Mail and provisional ballots tallied during the canvass process.

Outstanding ballots include:

- Vote By Mail ballots turned in at the polls on election day
- Write-in ballots
- Provisional ballots voted at the polls

Semi-official election results are updated following a supplemental count. If a race is very close, the outcome may not be known until the canvass is complete.

CANVASS/CERTIFICATION

Canvass is the process of reconciling election day data and the supplemental counting of Vote By Mail ballots turned in at the polls, including provisionally cast and write-in ballots. The numbers of voted ballots reported by pollworkers and Vote By Mail ballots are matched to the computer tally. California law permits 28 days to complete the official canvass and certify the final results of the election. The law recognizes the complexity of completing the ballot count and conducting a thorough audit of the election results to ensure accuracy. Part of the canvass process is a legally required manual recount of the votes cast for all candidates and measures on the ballot in 1% of all of the voting precincts in an election. This manual process verifies the accuracy of the computer count.

Candidates and members of the general public are invited to observe supplemental ballot counting and the manual tally of ballots from randomly selected voting precincts. After election night, the schedule of supplemental ballot counting is posted in our Norwalk office.

STATEMENT OF VOTES CAST

The Semifinal Official Canvass Statement of Votes Cast (SVC) which reports election results by individual voting precincts is available the Thursday after the election at the elections office. For most elections, this report is also posted on the department's website. Once the election is certified, the final Statement of Votes Cast is made available at our office and on the website.

ELECTION CONTEST

An election contest may involve a recount, but it is not the same as a requested recount. It is a court action and can be filed for a variety of reasons and at different times. For complete information, refer to Elections Code Division 16, Election Contests.

DOCUMENT RETENTION

Certain precinct supplies and all voted ballots must be preserved for 22 months when a federal office is on the ballot and 6 months for most other elections. If no legal action is pending at the end of this period, the documents may be destroyed or recycled. Unused ballots may be destroyed or recycled after the election.

REQUESTING A RECOUNT

- The results of a recount are declared null and void unless every vote in which the contest appeared is recounted. **(E.C. § 15632)**
- Upon completion of a recount, if a different candidate, slate of electors, or position on a measure receives a plurality of votes, the results of the official canvass will be changed and the election results re-certified. **(E.C. § 15632)**
- A copy of the results of any recount conducted shall be posted conspicuously in the office of the elections official. **(E.C. § 15633)**

CHAPTER 7

FAQ'S

FREQUENTLY ASKED QUESTIONS

Q. How may I apply for office?

A. You may visit the Election Information Section located on the 2nd Floor, Room 2013 or by calling (562) 466-1310 for information on the offices up for election, qualifications, filing dates, and to determine if you are eligible to run for office. You may also visit the Department's website at www.lavote.net.

Q. May I have someone pick up my paperwork?

A. Yes. However a letter of authorization signed by the candidate is required. The letter should include the candidate's name, office, residence address, publication address if any, telephone/email number(s); the name of the authorized person(s) that will be responsible for picking up and filing the candidate's nomination documents.

Q. What is a Candidate Statement?

A. A brief description of a candidate's education and qualifications to be included in the sample ballot and mailed to voters within an election jurisdiction. A candidate statement is **optional**. Q. What are the office hours to obtain nomination documents, and how long will it take to complete documents?

A. The Election Information Section will be open between 8:00 a.m. and 5:00 p.m., Monday through Friday, except on holidays. It is recommended that individuals who wish to take out nomination documents arrive at least 1 hour before 5:00 p.m. if possible to avoid delays (heavy lobby, stair well and elevator traffic) especially on the **deadline** to file nomination documents (**August 8, 2014**). The time frame to process candidates varies, and depends on how efficiently the staff qualifies the candidate and how accurately the candidate completes required documents.

Q. Will I be able to obtain up-to-date filing information?

A. Yes. You may obtain a list of the candidates who have been issued and have filed nomination documents from the Election Information Section, 2nd Floor in Room 2013 or via our website at www.lavote.net.

FREQUENTLY ASKED QUESTIONS

Q. Can a candidate change his/her mind about running for office after filing nomination documents?

A. Depending on the office, a candidate may not withdraw once his/her declaration of candidacy has been filed.

Q. Is it possible to correct the wording or spelling on a candidate statement after submission?

A. No. The statement may be withdrawn, but not changed, during the period for filing nomination documents. This means that you will be required to submit a signed written statement to withdraw your original statement then file a new statement during the nomination filing period. Any voter of the jurisdiction in which the election is being held, or the election official may file a writ of mandate or an injunction to require any or all of the data/materials to be amended or deleted during the 10-day public examination period. However, if the nomination period is extended for a particular office, the examination period for that office shall be adjusted. **(E.C. § 13313(b))**

Q. Can a credit card be used to pay a candidate statement fee or purchase voter material?

A. No. Cash, money orders, cashier's or personal checks are the only acceptable forms of payment. Checks for candidate statements (unless otherwise specified) are to be made payable to the Registrar-Recorder/County Clerk's Office.

Q. How soon will a list of qualified candidates be available after the close of the nomination (candidate filing) period?

A. This office will publish a tentative list, as well as a final list of candidates, daily on the internet and on hardcopy reports. Hardcopy reports will be available in the Election Information Section on the 2nd Floor, Room 2013.

Q. If a contest does not appear on the ballot due to an insufficient number of candidates, can a candidate statement fee be refunded?

A. Yes. A candidate statement fee can be refunded.

Note: Candidates for a voter nominated office, **non-incumbent** candidates for a judicial office, and an **incumbent** candidate for a county office are required to be elected and will appear on the Primary Election ballot regardless if running unopposed or not.
