Second Election Results Update for the Congressional District 34 Special Primary Election

LOS ANGELES – Los Angeles County Registrar-Recorder/County Clerk (RR/CC) Dean C. Logan announced the second ballot counting update for the Congressional District 34 Special Primary Election.

The update includes **1,989** ballots processed since Election Night, consisting of Vote by Mail and provisional ballots. The total election results count is now **42,902**, which is **14.07%** of eligible Los Angeles County voters.

All outstanding ballots were processed and counted in today's update. However, VBM voters who returned their ballot unsigned have eight days (E+8) to sign and return an Unsigned Ballot Statement. An Unsigned Ballot Statement is a form which the RR/CC mails to VBM voters, who forgot to sign their envelope, asking for their signature to verify the ballot is valid.

If any Unsigned Ballot Statements are received through tomorrow then they will be processed and counted in a final canvass update, **Thursday, April 13th**. It is the intent of the Department to certify the election on Thursday, April 13th barring any unforeseen changes in the canvass process.

The mission of the Registrar-Recorder/County Clerk is to serve Los Angeles County by providing essential records management and election services in a fair, accessible and transparent manner.
