**NOVEMBER 8, 2005 SPECIAL STATEWIDE AND CONSOLIDATED ELECTIONS  
STATUS REPORT #2**

The General Election will encompass 2,158 consolidated voting precincts. Commitments for all polling places have been secured. Staff continues to work on filling remaining Clerk pollworker vacancies (as of today fewer than 800 Clerks remain to be recruited, out of a total pollworker base of 12,000 needed for the Election).

Following regular file maintenance, the current active voter registrations stand at 3,793,000. As in recent elections, names of voters whose status is "Inactive" due to third-party notifications of address change (including postal service) will appear on the roster on Election Day alongside Active voters, enabling voters to re-activate their registration status simply by affirming their residence address and casting a ballot.

Sample ballot mailing begins September 29 and will continue daily until all ballot groups are processed.

Please call me if you have any questions regarding this report or any other election preparation activity.
