**REPORT ON CITY OF SOUTH GATE RECALL ELECTION
JANUARY 28, 2003**

Background

As we have reported to you over the past months, the California Legislature in 2002 took special action to remove election authority for special elections from local officials in the City of South Gate during the period of 2003 and 2004. Upon your Board's motion accepting that responsibility from the Legislature, our Department has made preparations to conduct a Special Recall Election for the City of South Gate on January 28, 2003.

Election Parameters and Staff Preparation

The City of South Gate has 26,900 registered voters (as of the 15-day close of registration). They will cast ballots at 15 polling places throughout the City. Three Council members and the City Treasurer appear on the recall ballot, as well as seven measures placed on the ballot by the City Council. (Copy of ballot attached for reference.) Polls are open from 7 a.m. to 8 p.m.

We have staffed the polling places in South Gate with a combination of local residents who have served as pollworkers in County elections, and our own experienced staff of Election Day coordinators and Polls Division staff.

Meetings have been held between our staff, the County Sheriff, the South Gate Police Department and representatives of the Secretary of State's Elections Fraud Divisions to insure that all parties understand their roles on election day. Election procedural questions will, if necessary, be referred to the Secretary of State staff who will be in the City of South Gate for that purpose.

Because this is a County-conducted election, all ballots and other election materials will be transported to our office on election night following the close of polls. Our staff will conduct the tally and election results will be released on our website and by telephone.

Post-Election Events

If the officers listed on the ballot are recalled by the voters and new officers elected, election law states that the recall is effective as of the date when the election results are certified. We anticipate certifying the election and requesting the Board of Supervisors to declare the results on Tuesday, February 4, 2003. The new officers will then be installed in their respective posts in the City.

Conclusion
